

Vaportight LED fixture

Features:

- Industry Leading LED diodes
- High Performance Drivers
- Indoor and outdoor applications; protects lamps from dust, dirt and humidity
- Can be surface or chain mounted
- Clean even light distribution
- Instant on (even in cold temperature)
- 5-year warranty
- Eligible for commercial utility rebates
- LED lamps contain no mercury
- No UV or IR radiation
- Bug free access
- Mold, Mildew and Algae proof
- Operating Temp -30°F to 125°F
- Patent pending
